

自由中国联盟

自由中国联盟成立倡议书

一、 提议背景

当前中国正处于深刻的社会、经济与政治转型危机中。极权体制的长期统治已经导致社会信任的瓦解、道德的扭曲、经济发展的畸形、法治体系的空壳化、思想言论的全面封锁。随着社会深层次矛盾不断积累，现任非法政权已濒临崩塌。

回顾中国近现代历史，自五四运动、辛亥革命以来，人民对自由、民主的追求从未止步。然而，仅依靠个体的发声、零散的抗议和偶发的觉醒，难以撼动体制化的残忍压迫。我们认识到，唯有有理念、有组织的联合行动，才能在混乱与黑暗中汇聚希望的火种。

因此，我们发起“自由中国联盟”，立志团结一切有志之士，建设一个以自由、平等、正义为核心价值的革命组织，以期在新旧更替之际，担负起新时代的启蒙责任与建构使命。

二、 组织定位

- 组织名称：**自由中国联盟

- 组织使命：**唤醒民族意识，传播自由理念，推翻独裁统治，重建宪政秩序，在中华大地上实现民主制度。

三、 我们的信念

我们坚信：

- 人人平等：**平等是每个个体至高至圣的真理。
- 人人自由：**个体自由神圣不可侵犯，是人类社会的基石。

自由中国联盟

- **正义公平：**任何侵犯他人自由与尊严的行为，都必须受到公正的追责。
- **主权在民：**国家权力应来自人民授权，并接受人民监督，违背民意的政权不具合法性。
- **多元博爱：**社会治理应包容多元，追求天下大同，构建团结互爱的公民共同体。
- **无愧无惧：**一个理想国家，应当使公民无愧于过往，无畏于未来。

我们的信仰不仅是理念，更是中华民族千年文化精神的延续——从“民为贵，君为轻”到“天下为公，选贤与能”，我们既是历史的继承者，也是未来的塑造者。

Free China Alliance

Founding Manifesto of the Free China Alliance

I. Background of the Proposal Background of the Proposal

China is currently undergoing a profound crisis of social, economic, and political transformation. Decades of authoritarian rule have led to the collapse of social trust, distortion of moral values, an imbalanced economy, the hollowing out of the rule of law, and the complete suppression of free thought and expression. As deep-rooted contradictions intensify, the current illegitimate regime is on the verge of collapse.

Looking back at modern Chinese history, from the May Fourth Movement to the 1911 Revolution, the people's pursuit of freedom and democracy has never ceased. Yet scattered protests, individual voices, and sporadic awakenings are not enough to dismantle an entrenched system of brutal oppression. We have come to understand that only through organized, value-driven collective action can we ignite hope amid chaos and darkness.

Therefore, we are launching the Free China Alliance, dedicated to uniting all freedom-loving individuals and building a revolutionary organization centered on liberty, equality, and justice. Our aim is to shoulder the responsibility of enlightenment and reconstruction during this historical turning point.

II. Organizational Identity

- **Name:** Free China Alliance
- **Nature:** A Chinese revolutionary organization registered overseas
- **Mission:** To awaken national consciousness, spread the ideals of liberty, overthrow authoritarian rule, and rebuild a constitutional order where democracy thrives on Chinese soil
- **Core Principles:** Liberty, Equality, Justice

III. Our Beliefs

We firmly believe:

- **Equality for all:** Every individual is born equal—this is a sacred truth.
 - **Liberty for all:** Personal freedom is inviolable and is the cornerstone of a just society.
-

Free China Alliance

-
- **Justice and fairness:** Any act that violates the liberty and dignity of others must be held accountable.
 - **Sovereignty resides in the people:** Legitimate state power must be authorized and supervised by the people. A regime that defies the will of the people is illegitimate.
 - **Pluralism and universal compassion:** Governance must embrace diversity and strive for unity and mutual care in a community of citizens.
 - **Without shame, without fear:** An ideal nation allows its citizens to live with dignity in the present and without fear of the future.

Our faith is not only ideological, but a continuation of the spiritual heritage of the Chinese people—from "The people are more important than the ruler" to "All under heaven belong to the people, and the worthy should govern." We are both inheritors of history and creators of the future.

IV. Our Goals

Frequently Asked Questions:

Q1: Is this a violent revolution?

A: We advocate rational, enlightenment-driven systemic change. We believe in the power of thought over violence.

Q2: Does this threaten national unity?

A: We support a unified, free, and just Chinese nation. Opposing authoritarianism is not separatism—it is about returning sovereignty to the people.

Q3: Does the Alliance only welcome certain types of people?

A: The Alliance welcomes all individuals regardless of ethnicity, faith, gender, or background. As long as you support liberty, equality, and justice, you are one of us.

Q4: Is there a membership fee?

A: Membership is completely free and voluntary. Any fee request in the name of the Alliance is fraudulent. Please stay vigilant.

Q5: What are the Alliance's next steps?

A: We are building a secure organizational infrastructure and have drafted a constitutional governance framework, including separation of powers, administrative mechanisms, and economic models. In the short term, we will release the "Declaration for a Free China" to awaken public consciousness. In the medium term, we will prepare for societal turmoil and economic collapse. When the CCP falls, we will be ready to welcome a new era.

Q6: Why now?

Free China Alliance

A: China is on the brink of systemic collapse. To prevent chaos and prolonged civil war, we must step forward and offer a clear vision of hope: a free, just, and sustainable state.

Q7: How can I help?

A: If you are in a safe position, please help spread this manifesto. If you are not, safeguard your beliefs and protect yourself and your loved ones. Evil will not last. The pursuit of light is the ever meaning of our life.
